

Dear Friends,

Founded in 1951, the Angels Camp Museum has acquired a comprehensive collection of artifacts reflecting the rich and dynamic history of our community. Recognizing this resource, the Angels Camp City Council formed a Museum Commission to assist the City in developing the future of the Museum. Working together, they are enhancing existing displays, creating new ones and safeguarding Museum assets for future generations.

To financially assist in these efforts, the Angels Camp Museum Foundation, a 501(c)-3 non-profit organization, was formed. The Foundation's mission is to raise the funds necessary to promote and develop the Museum as a premier local history and educational facility. Funds are obtained through memberships, grants, corporate and private contributions, and events.

There are a number of new exhibit projects on the horizon as we strive to move the Museum forward. Our quarterly newsletter, a benefit of Museum Membership, ensures that you remain updated on these projects as well as upcoming special events.

In the Fall of 2011, the Museum will be starting a monthly lecture series, packed with interesting topics and special guest lecturers. The lectures will be free to Museum members, another benefit of Museum Membership. The quarterly newsletter and website, AngelsCampMuseumFoundation.org will announce the topics and dates of the lectures.

It is an exciting time for the Museum and we want you to be a part of it. We need your support so **JOIN TODAY!**

Sincerely,

Angels Camp Museum Foundation
